Policy Title: Background Checks and Clearances

Policy Adoption: **January 20, 2020**

Policy Statement:

The Kiwanis Club of Dillsburg requires all members of the club to complete a criminal record check and child abuse clearance. In order to be a member, both the criminal record check and child abuse clearance need to be a clear according to standards put forth by Kiwanis International Policy B and Policy 197.

Once a member receives their clearances, they should be forwarded to the club secretary to have on file. These clearances need to be updated every 2 years, as per your annual date.

All SLP Club Advisors also need to complete the clearance checks through Kiwanis International. These clearances will be paid for by the Kiwanis Club of Dillsburg.
